

Direct Credit Request

Why do we need these details?

During your time with Frank, Frank may need to pay you money for refunds or claim benefits. To do this, we need your bank account details.

So what do I do?

Just fill out this form with your Australian bank account details and return it to Reply Paid 69, Geelong, VIC 3220. The great thing is that you don't even need to pay for postage, just drop it in a post box.

Otherwise, you can fax it to 03 5222 7478.
